# SEND A FRIEND PROGRAM

## How can our referral rewards program benefit you and your family?

### Did you know we have a wonderful referral program which may be used by anyone?

Our "Send A Friend" referral program can be used in several ways:

- 1) If you/a family member are currently in treatment and have an outstanding treatment balance, use our referral program to help pay off your account.
- 2) You can use it to earn credits for a family member's future treatment (if not currently financing treatment).
- 3) If you have completed orthodontic treatment or are not a patient in our practice, our "Send A Friend" program can be used to shop or dine with a gift card to the place of your choice.

Many of you have enjoyed the benefits of our "Send A Friend" referral program and we thank you. When you refer a new patient (*one reward per new family*) to our office who begins orthodontic treatment (*braces*) you will receive one of the following prizes...

- 1) \$100.00 off your remaining balance
- 2) **OR** \$100 credit towards future treatment (if no current balance)
- 3) **OR** 1000 referral points if your account is paid in full and you are a member of our Patient Rewards Program
- 4) **OR** \$100 gift card if you are not a current patient in our practice

For every 5 new patients (one reward per new family) you refer who begin an orthodontic treatment (braces) with our office, you receive an additional

- 1) \$250.00 off your remaining balance
- 2) **OR** a \$250.00 credit towards future treatment (if no current balance)
- 3) **OR** a \$250.00 gift card (**if your account is paid in full**/you do not need our services)

You can pick up your Send A Friend forms at either of our office locations or print them directly from our website ([www.rforthodontics.com](http://www.rforthodontics.com)) by visiting our referral program page. A Send A Friend form must be presented by your friend at the time he/she begins treatment with our office.

Don't forget to mention to your friends that their *initial evaluation with our office is complimentary*. We also have a video tour and video testimonials about our office that you can "v-mail" to friends and family to introduce them to us. You can visit our website ([www.rforthodontics.com](http://www.rforthodontics.com)) to access these videos or email [alison@rforthodontics.com](mailto:alison@rforthodontics.com) to have the videos emailed directly to you. Please feel free to contact Alison at (614) 839-3069 with any questions.
